

INTERNATIONAL MAPLE SYRUP INSTITUTE

Dec 2, 2017

Craig Waldron,
Commercial Maple Syrup Producers of Michigan

Dear Craig:

We wanted to sincerely thank the Commercial Maple Syrup Producers of Michigan for the generous donation of \$1,000 to the International Maple Syrup Institute. Derek Ross passed along the cheque at the international conference that was held in Quebec in October. We submitted some pictures we had taken to the Maple News and are hopeful that Peter Gregg will include them in the next edition.

As you are aware, the IMSI is currently working on a number of initiatives. One that is very exciting is the coordinated venture into social media for the promotion of maple syrup as much more than just a topping for pancakes and waffles. We are considering utilizing your donation to boost the effectiveness of this campaign.

Again, our heartfelt appreciation!

Sincerely,

Ray Bonenberg
